Swimming Team Shines at SOP Swimming Competition Finals – May 8, 2025

In a spectacular display of skill and teamwork, our students Mohamed Walid Ragab (2B), Thaarigan Sakthivel (3C), Mohamed Ahmed Koura (4D) proudly represented our school at the SOP Swimming Competition Finals in Al-Arabi swimming Complex, Qatar. Going head-to-head with top swimmers from various schools, our swimmers demonstrated unwavering dedication, impressive talent, and a strong sense of sportsmanship. Their achievements are a shining reflection of our school's commitment to nurturing talented individuals who excel both in and out of the classroom.

Athletics

Star Athlete Adham Al-Khalil (YR 10 B) won SOP Athletics Boys 800-meter race for Secondary Level III, held at Aspire Zone on May 22, 2025. Adam demonstrated exceptional speed and endurance, securing the top spot among top qualifiers from government and private schools across Qatar. This achievement follows his impressive performance in the preliminary round held on January 22, 2025, at Al-Arabi Club, where he ranked first among 45 runners. We congratulate Adam on his outstanding achievement and commend his hard work and dedication has made us proud by winning the gold medal in the 800-meter running race at the Aspire Zone athletics competition held on 22/05/2025. His impressive performance showcased his remarkable speed, endurance, and determination. Adham's achievement is a shining example of his hard work and dedication to athletics.

Many congratulations to Adham and the teacher, Mr. Ahmed Helmy, on this outstanding achievement.

Swimming:

We are happy to inform you all that our beloved student Aseel Mohammed Raffat Abdel Raheem-YR 8A has participated in SOP swimming competition (Final) organized by the SOP -Qatar which was held in Al-Arabi Swimming Complex on 5th February 2025. The icing on the cake is that Ms. Aseel has secured Third position in Back Stroke event. Her remarkable contribution to CIS Team's victory as Second runners-up in such a prominent Inter School tournament is undoubtedly a significant accomplishment for her and for all of us. We believe, she would be making us prouder in coming years as it is just a beginning for her.

We congratulate her for such a notable achievement and wish her the very best for future endeavors.

Gymnastics

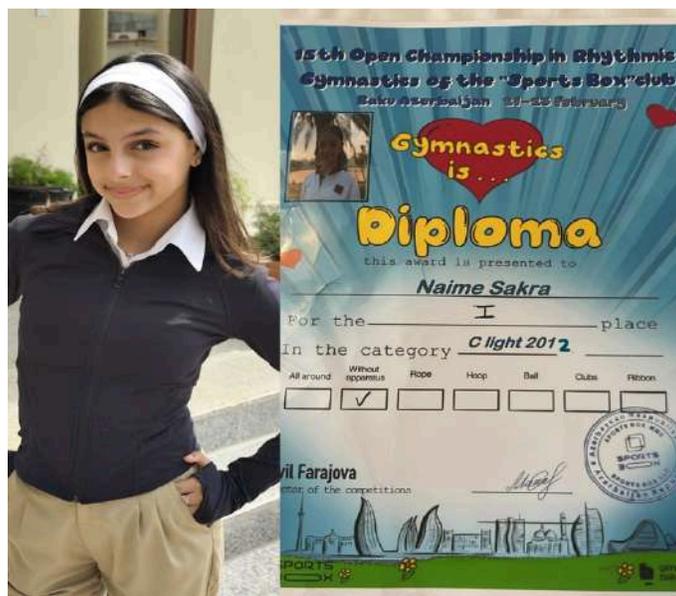

It is with immense pride and joy that we announce the outstanding achievement of our student, Neama Eihab Aboushakra – (YR 7C) who has won a medal in the prestigious International Gymnastics Competition held in Azerbaijan From 21/02/25 to 23/02/25.

Neama demonstrated exceptional skill, dedication, and perseverance throughout the competition, impressing judges and spectators alike with her flawless performances. Her hard work and commitment to excellence have paid off.

This outstanding achievement is a testament to her hard work, dedication, and passion for gymnastics. CIS is incredibly proud of her!

We would also like to extend our heartfelt congratulations to Neama's parents, who have been instrumental in supporting and encouraging their daughter's passion for gymnastics. Their unwavering dedication and commitment to providing Neama with the opportunities and resources she needed to succeed have been invaluable.

We have no doubt that Neama will continue to excel in the world of gymnastics and beyond. We look forward to seeing her future achievements and wish her all the best in her endeavors.

Farm Your Country Program - 2nd Place (Qatar Level)

Cambridge International School proudly secured 2nd place among 46 schools across Qatar in the 'Farm Your Country' program organized by Al Faisal Without Borders Foundation.

Students cultivated vegetables and flowers while promoting sustainability and community service. All participants and coordinators were awarded certificates and silver medals.

CAMBRIDGE INTERNATIONAL SCHOOL SHINES AS THE 2ND PLACE WINNER MIDDLE LEVEL IN THE “FARM YOUR COUNTRY” PROGRAM BY AL FAISAL WITHOUT BORDERS FOUNDATION!

"Tell Me and I forget. Teach me and I remember. Involve me and I learn."
- Benjamin Franklin

We are proud to announce that CIS actively participated in the **Farm Your Country** program, organized by the **Al Faisal Without Borders Foundation**, from November to March—and proudly secured **2nd place** among 46 schools across Qatar!

Our students demonstrated outstanding dedication as they cultivated and harvested a range of fresh produce including tomatoes, eggplants, cucumbers, chillies, parsley, radishes, and spring onions. Lovely flowers also bloomed, adding beauty and charm to our garden space.

As part of our commitment to community values, the harvested vegetables were used in community service initiatives—making this project not only about growing food, but also about growing compassion and responsibility.

All participants and team coordinators received certificates and silver medals for securing 2nd place—a proud achievement for the entire CIS community!

A heartfelt congratulation to our young farmers and Team coordinators for this outstanding accomplishment!

Inter Taleb Science Competition

The Inter Taleb Science Competition was successfully held at TCS as part of the Science Week celebrations. The event saw active participation from students of Year 4 to Year 10, providing them with an excellent platform to showcase their scientific creativity and innovation.

Students presented well-researched and creative science projects focused on how their ideas would benefit the future world. The projects reflected strong scientific understanding, problem-solving skills, and a clear vision for sustainable and innovative solutions. Participants confidently explained their projects, answered questions effectively, and demonstrated excellent communication skills.

Schools including CIS, TCS, and ACS participated in the competition, making it a healthy and enriching inter-school experience. The competition encouraged collaboration, critical thinking, and the practical application of scientific concepts.

We are proud to announce that CIS secured First Place at the Primary Level, a remarkable achievement that highlights the dedication and hard work of our students and teachers.

Overall, the Inter Taleb Science Competition was a highly successful and inspiring event that motivated students to think creatively about science and its role in shaping the future.
